**private forum between
separated parents to
create a permanent
record of custodial
communication**

- Posts cannot be deleted, altered, or backdated.
- First parent to sign up includes automatic free account for other parent.
- Eliminate the “he said/she said” —preserve your record.
- Provide schedules, photos, medical bills, grade reports, document proof.
- Secure and Encrypted, private between the two parents, mobile friendly.
- Printable comprehensive log file chronologically merges all communication and documents.
- No risk, first 30 days free. One year costs less than a half hour with an attorney.

Separation is painful, dealing with your ex about your child shouldn't be.
